

The embodiments of the invention in which an exclusive property or privilege is claimed are defined as follows:

1. A portable nail salon comprising:
  - a body having a rear panel, attached to left and right sides;
  - a base connected to the rear panel and said left and right sides forming an inner cavity;
  - a handle formed at the top of said left and right sides; and
  - upper and lower panels attached to said left and right sides.
2. The portable nail salon as recited in claim 1 wherein said upper and lower panels have a hinge arrangement allowing said upper and lower panels to be raised and locked perpendicular to the nail salon.
3. The portable nail salon as recited in claim 2 wherein inner cavity further comprises at least two shelves disposed within said and attached to said left and right sides.
4. The portable nail salon as recited in claim 3 wherein said upper and lower panels further comprises a plurality of indentations adapted to secure nail implements.
5. The portable nail salon as recited in claim 4 wherein said inner cavity further comprises an illuminating device attached to said back panel.
6. The portable nail salon as recited in claim 5 wherein said base further comprises a wheel attached to left and right sides.
7. The portable nail salon as recited in claim 6 wherein left and right sides are joined at the top by a tube to form a handle.
